### Runathon

My apologies for the slightly 'mixed messages' regarding our Runathon prize-giving assemblies, please see below for clarification of these:

**Tomorrow – Friday 25<sup>th</sup> September, 9am**

- Those children who completed the most laps will be presented their certificates. Please note that if your child is receiving a certificate you will have received a text message advising this.

**Next term: Runathon fund-raising prizes**

- We will confirm a date and time as to when these prizes will be given out. This gives us time to collate all money and determine who our top earners are.

All money should be returned by tomorrow please. Thank you to everyone who has sent theirs in already – we look forward to sharing our grand total next term!

Nga mihi
