## Panui ~ Newsletter Extra

24th March 2016

Kia ora koutou, greetings all

Congratulations to all our students who participated in the triathlon yesterday and many thanks to all who came along in support. It was great to see the Whanau groups cheering their members on and our older students so willingly supporting the younger ones.

### **Student Led Conferences**

A reminder these are taking place on Monday 4th and Tuesday 5th April. Please book online at [www.school.interviews.co.nz](http://www.school.interviews.co.nz) - the event code is **v48uy**. If you do not have access to the Internet please contact the school office to arrange a time. Next week you will receive the information booklet with further details about the conferences.

### **Road Safety**

Many thanks for your support and co-operation when dropping off and picking up your children from school. It is very encouraging to see you all using the designated crossing areas, both on Mahi and Waerenga Roads, with your children. We still have some feedback from motorists about children hopping out of cars and 'appearing' on the road - please remind your children to check carefully first.

### **Bus Children**

With winter sport's practices well underway and other after school activities please ensure you let Brenda or Louise in the office know your child's bus arrangements. Thank you as it saves us holding up the bus for others in the afternoon while we try and locate children who may have already been picked up.

### **Easter Break**

A reminder that all schools are closed on Tuesday as part of the Easter break. We look forward to seeing the children back on Wednesday morning - 8.30am is a great time to arrive at school!

Our sincere condolences and thoughts are with the Parker family today as they farewell their loved wife and mum, Niki. A very sad time for them all.

Travel safe if you are heading away over Easter, I hope the weather is not as bad as predicted.

Nga mihi nui on behalf of the team  
Vicki Saunders, Principal
