

## Personal Belongings Policy

The Board of Trustees understands the temptation for students to bring personal belongings to school (items such as toys, collectors cards, sports equipment etc) and share with their classroom peers or to use the equipment during break times. While the board acknowledges this temptation the BoT do not support this practice.

Collector cards, toys, and sports equipment should not be brought to school to ensure that personal belongings are not lost or stolen at school. The BoT will not accept responsibility to replace lost or stolen items as they ask that these items are left at home.
