

Selection of children for Sports Teams

To ensure that there is transparency in the selection process of sports teams at Te Kauwhata Primary School the following steps will be taken:

1. Children will either apply for the team or the teacher in charge will hold a trial to determine the children who will take part in the sports event.
2. When children apply for the team the Sports Coordinators or Teacher in charge will look through the applications and decide which candidates are the most suitable for the event. They will look at the behaviour of each child, the child's reflection of our school values and their learning in the classroom to support their decisions.
3. For any child that is chosen for a team either by the Sports Coordinator / T.I.C or through trial they will be given a permission slip to attend the event.
4. Parents of the successful candidates will be sent a message to tell them that their child is attending the sporting event
5. If a child who has been chosen for a team has any major etap entry before the event, they may miss out - this is at the discretion of the Deputy Principal and Principal.
